Brand New Home in Capilano - Don't miss this rare opportunity to own a new 2306 sq foot home on a 33.5' wide lot facing a gorgeous green space in Capilano, one of Edmonton's top mature communities. Steps from Suzuki Charter School, ski trails, bike paths, and off-leash parks, this location supports an active lifestyle. Inside, a split-level foyer welcomes you into a modern, organic design featuring a large main floor office, reading nook, open riser stairs, and arched openings. The chef's kitchen boasts an oversized range, quartz counters, a full slab backsplash, and custom cabinetry. While large Lux windows fill the home with natural light from the south facing back yard. Enjoy open-concept living and a spa-like ensuite for daily comfort and retreat. There's still time to customize finishes--construction is underway with completion set for Summer 2026. (id:6769)
