

636 HOWATT Drive Edmonton AB

\$1,389,000

An award winning french country style property, you wont find another like it. A custom built former lottery home backing onto the greens of Jager Ridge Golf Course, this eco-elegant home has been upgraded in every possible way. A "Zero Energy Home" with \$85,000 Solar Panel System to power your home & sell back to the grid. It includes R40 Insulated Walls, R80 Attic, drain water heat recovery, HRV & air source heat pumps for heating & cooling, insulated tri-pane smart windows, radiant floors & electric car charger. High end estate level finishing, include a french style brick barrel ceiling on the main floor and wood beamed ceilings throughout. A true chefs kitchen with all paneled appliances, Jennair range and Urban Cultivator for growing herbs & vegetables in your kitchen. Two custom living walls, 3 Bedrooms up all with their own ensuite, bonus room up, mainfloor den, walkout basement with guest suite & fully landscaped large lot with irrigation. Rebuild cost on this house would far exceed asking price.
