

Rural Westlock County Alberta

\$550,000

All kinds of possibilities present themselves with this property. The veterinarian that operated this building as a clinic has recently retired. Leaving the building along with the 2 bedroom home in need of a new owner. The modular home has open concept kitchen and living area with a bedroom, office and laundry/ bath on the main level. There is a loft that can be a great guest room. The shop could be used for a clinic of some sort or remove any or all the interior walls to suit your needs. Great exposure for a business as it is right along Highway 44. Let your imagination take hold! (id:6769)
