Here's your chance! A great 1/2 duplex with NO CONDO FEES in Ellerslie. This duplex has a massive back yard, far deeper than you'll see in most duplexes. The home has a brand new shingles in October of 2024! What a great deal! With 2 primary bedrooms, it's a popular floor plan that allows for a great home office, guest room, or room mate setup. The kitchen is open and bright and the gas fireplace is a nice touch. There's a lot to love here, and so very much potential.
