

7206 Rosenthal Drive Edmonton AB

\$425,500

Discover your new Coventry home, where elegance & functionality come together seamlessly. The highlights of this stunning residence include gorgeous cabinets, an upgraded backsplash, & sleek quartz counters. The beautiful kitchen opens into a spacious dining area, perfect for entertaining. The main floor is completed by a convenient half bath. As you ascend to the 2nd level, you will find a generous primary bedroom featuring a 4-piece ensuite & a walk-in closet. This floor also offers two additional bedrooms, a full bath, & an upstairs laundry room for added convenience. Outside, a double detached garage & fully landscaped yard enhances the appeal of this home. Every Coventry home is built with care & attention to detail and are protected by the Alberta New Home Warranty Program, ensuring peace of mind for years to come. *Home is under construction. Photos are not of actual home. Some finishings may differ. Some Photos virtually staged*
