

5 Rondeau Drive 76 St. Albert AB

\$469,900

Built by Averton and backed by award-winning customer service, this move-in ready home features: an expansive rooftop terrace; 9' main floor ceilings; rich grey and white finishes throughout; an upgraded kitchen layout with bar fridge extension, matte black faucet, full-height backsplash, and stainless steel kitchen appliances; quartz counters in the kitchen and bathrooms; vinyl plank flooring on the main level, and a dual primary bedroom layout. The home's quality exterior is finished with premium James Hardie siding, a nest video doorbell, and is solar panel ready. Located across from the Enjoy Centre, close to dog park, trails, future community gardens in a certified Built Green(R) community. Some photos may be virtually staged and representative of actual unit.
