

## Edmonton Alberta

\$880,000

Rare opportunity for a large bungalow just off Laurier Drive with an OVERSIZED DOUBLE ATTACHED GARAGE (can fit a lift) & DETACHED TRIPLE GARAGE (both heated!). Well kept by long term owner for 45 years, this home can be moved right into, or it is also a great candidate for someone looking to make cosmetic updates to a home with solid bones & excellent location. Updates over the years include h/e furnace (2021), hwt (2020), siding, attic insulation (roughly 5 years), 2 amazing deck remote awnings, newer triple detached garage, irrigation system, central A/C, & kitchen appliances. Sprawling main floor offers 2150 sq/ft, including a workshop area! Expansive primary bedroom could be split back into 2 separate rooms if one needs 3 bedrooms on main. Basement offers a large rec-room, 3-piece bath, bedroom & storage. Located in one of Edmonton's top rated neighbourhoods due to it's central River-Valley location, with great amenities, schools, & friendly neighbours. Come check it out! (id:6769)
