

Edmonton Alberta

\$2,300

Located in the desirable Keswick neighborhood, this 1,486 sqft home offers modern living with 3 bedrooms, 2.5 baths, and a double garage. Highlights include a bright, open-concept layout, a well-equipped kitchen with contemporary finishes, and an upstairs laundry for added convenience. The bonus room is ideal for a home office or playroom, while the master suite boasts a private bath and ample closet space. A private backyard provides outdoor enjoyment, and the double garage ensures plenty of storage. Situated close to parks, schools, shopping, and transportation, this peaceful community is perfect for your lifestyle. Small trained pets are welcome, and utilities are separate. (id:6769)
