\$599,900

Are you tired of seeing the same layout everywhere? Do you want to be backing greenspace and a beautiful walking trail? Welcome to this newly built, two-storey home with a hallway and bonus room combo--you will fall in love with it! As you step into the main level, lots of space and natural light will welcome you. The main-floor bedroom, beautifully designed kitchen with many cabinets, a walkthrough pantry, and an open-to-below living area offer the perfect balance of style and functionality for you and your family. Upstairs is even more charming! Three decent-sized bedrooms and a large bonus room with a vaulted ceiling is all you need for the perfect movie night with the family! The primary bedroom has a walk-in closet, his-and-hers sinks, and a soaker tub for optimum relaxation! Just get the wine and cheese. This home is a must-see! (id:6769)
