Opportunity knocks in Jasper Place! This solid bungalow on a large lot is perfect for first-time buyers, investors, or anyone ready for their next project. The updated main bathroom is a great start--while the rest of the home is a blank canvas with endless potential. The unfinished basement offers room to expand, add value, or explore a secondary suite (subject to city approval). Located in a quiet pocket and within walking distance of shops, schools, and transit, this is a great location to put down roots. Renovate, rent, or redevelop--the choice is yours! (id:6769)
