

Edmonton Alberta

\$550,000

This bi-level home is a dream! With over 2,700 square feet of living space, it offers a great blend of style and functionality. The fully finished basement is a standout feature, providing a cozy retreat with its own bedroom, bathroom, family room, and laundry room—a perfect space for guests or family members seeking privacy. The main floor is stunning, especially with the wide, welcoming stairs leading to a space with 9' ceilings, giving it an open and airy feel. The kitchen is a chef's delight, with beautiful maple cabinets and upgraded built-in appliances like the cooktop stove, microwave, and oven. The primary suite is particularly impressive with a luxurious jacuzzi ensuite, making it a perfect personal getaway. The oversized garage with basement access is super convenient, and the fact that the home sits on a corner lot adds to its appeal. A beautifully landscaped yard and entertainment-ready backyard make this home perfect for gatherings and relaxation. (id:6769)
