

90 REDSPUR Drive St. Albert AB

\$479,888

Discover modern living with a brand-new Impact Home w/ SEPARATE ENTRANCE. This home w/ 9 ft ceilings on the main floor & basement is designed for both functionality & style. An open concept kitchen features a ceramic tile backsplash, S/S appliances, quartz countertops, & upgraded cabinets. This culinary haven seamlessly connects to the living room & dining area. Completing this floor are a convenient mud room/laundry area & a tastefully appointed half bath. Ascend the stairs to the upper level, where the primary bedroom awaits, offering a luxurious 4-pc ensuite & a spacious walk-in closet. Two additional bedrooms, a main bath, & a bonus room add to the allure of the second floor. Every Impact Home is meticulously crafted with care & attention, & rest assured; they are all covered by the Alberta New Home Warranty Program. *Home is under construction. Photos are not of actual home. Some finishings may differ. Some Photos virtually staged*
