

## Edmonton Alberta

\$189,888

Unlimited Potential - Prime Infill Lot Backing Onto Pond. Exceptional opportunity to build in a desirable, established neighborhood. This vacant and fully serviced RF2-zoned lot (approx. 270 m<sup>2</sup> / 0.07 acres) offers 26 ft of frontage by 115 ft of depth, and is ideally south-facing and backing onto a tranquil pond with distant downtown views! Zoning allows for a variety of housing options including single detached homes, narrow lot infills, semi-detached homes, duplexes, and secondary suites—making this an excellent choice for builders, investors, or homeowners looking to create a custom residence. Adjacent lots at 9227, 9231, and 9235 also available from the same vendor, offering further development potential. (id:6769)
