Welcome to the Pearce by Parkwood Master Builder, a breathtaking 2,058 SQFT showhome designed for modern living with style & functionality in mind. This open-concept home seamlessly connects the great room, dining area & kitchen, creating an inviting space for entertaining & everyday living. The kitchen boasts a stunning central island with an elegant eating bar, a walk-through pantry with direct mudroom access for effortless grocery unloading & sleek finishes throughout. The warm & cozy great room features a striking 60-inch electric fireplace, while open-riser stairs with glass railing add a touch of modern sophistication. A main-floor bedroom & full bath provide flexible living options, perfect for guests or multi-generational living. Upstairs, a versatile bonus room offers additional gathering space, while the second-floor laundry adds convenience. The luxurious primary bedroom includes dual sinks & a spacious shower, ensuring a spa-like retreat. Photos are representative. (id:6769)
