\$560,000

Welcome to this 1629 sq ft two-storey home complete with a fully finished basement and double detached garage. The main level offers a spacious living room with a fireplace, an open dining area designed for family gatherings, and a kitchen that features two-tone cabinetry, quartz countertops, a large island, and stainless steel appliances. A two-piece bathroom, dedicated tech space, and functional mudroom add to the main floor layout. Upstairs you will find three bedrooms, including the primary suite with a large walk-in closet and a four-piece ensuite with dual sinks. Full laundry room is also conveniently located on this level. The basement has been developed to include a generous family room, a four-piece bathroom, laundry area w/hookups, plenty of additional living space. Notable features include 9 ft ceilings in the basement, a fully automated smart thermostat, rear deck, fully fenced backyard, and an additional deck for outdoor enjoyment. This home provides a well-planned layout across all levels. (id:6769)
