This stunning and meticulously maintained family home is tucked away in a quiet cul-de-sac just steps from the river valley. With tons of upgrades over the years- including windows, furnaces, shingles, flooring, and bathrooms--this home truly shows like a showhome. The completely renovated kitchen is a standout, featuring sleek stainless steel appliances, quartz countertops, subway backsplash, and tile flooring. From the foyer, step into a bright and expansive living room with hardwood floors, large windows, and an adjacent dining area. Upstairs you'll find 4 generous bedrooms, including the primary suite with a 3-piece ensuite and access to a private balcony. A 5-piece main bathroom completes this level. The above-grade third level offers a cozy family room with a stunning stone surround wood-burning fireplace, patio doors to the backyard, and main floor laundry. The basement has a large family room, 3 piece bathroom, and 5th bedroom. Central A/C and a garage heater too! You don't want to miss this one! (id:6769)
