

Edmonton Alberta

\$114,000

Great location in high-density residential area in the downtown core with great visual exposure and traffic. It's ideal for office, and indoor sales and services. With affordable condo fees of only \$237 (effective January 1, 2025), the fees include power, water, heat, and access to amenities such as a fitness room and recreation space. This is a perfect opportunity for first-time small business owners seeking minimal monthly expenses. (id:6769)
