\$650,000

The GEM of vacant lots in Strathcona County!! This 20.06 acres of natural spruce, pine and aspen, is blended perfectly together with open grass areas and winds along the beautiful Pointe Aux Pins Creek. Multiple building sites with incredible views and complete privacy. The area is filled with wildlife and lots of room for recreational activities. Only 1.5 miles north of the Hamlet of Ardrossan and within minutes to Sherwood Park, Edmonton and Ft. Saskatchewan! This lot is one of the most beautiful I have seen in 25 years in Strathcona County! A very rare opportunity!! (id:6769)
