If you need garage space, this one is hard to beat! This 1325 sq ft bungalow offers an attached heated double garage PLUS an oversized heated single garage in the backyard—perfect for a workshop, woodworking, hobbies or extra storage. Inside, you'll find 3 bedrooms on the main floor plus a 4th in the basement and 1.5 bathrooms. The spacious renovated kitchen is the heart of the home with off-white cabinetry, cork flooring and plenty of room for the whole family. The living room features a wood-burning fireplace, while the basement brings some serious retro charm with a large recreation room and wet bar straight out of the 70s. A/C and built-in vacuum add extra convenience. Situated on a quiet Sherwood Park street close to Westboro Elementary and amenities.
