Well this place is incredible! Let's start with the view. Oh wow, that view! I won't try to describe it here, the pictures will get you there. But in this 2 story condo, that view is available from nearly every room in the condo. That's right, a 2 story apartment condo overlooking the river valley. This 3 bedroom suite in The Arcadia is a treat to behold. All of the rooms are large, the owner's suite will easily take a king sized bed, and the 2.5 bathrooms is a rarity in apartment condo. You even have 2 entrances. Add in double heated underground parking, and you've got yourself a real winner here. But most of all, above anything else, your friends and guests will be awestruck by your view. Never forget that view. (id:6769)
