Eton Park is not only ideally situated in the downtown core, it is one of only a few residential towers with entire brick facade. The appearance is elegant, adds to the curb appeal and a superior method of construction. The building is fully air conditioned & there are only 4 units per floor. This suite faces west looking out towards the river valley & takes full advantage of westerly breezes. The 1,320 sq ft interior has been completely renovated using quality materials that are both tasteful & timeless. There are 2 large bedrooms & 2 full baths. Walls have been removed in main living area to create a more open concept. The abundance of large windows provide great natural light. Overall floor plan is exceptional with lots of storage & in-suite laundry. Extra storage in parkade. Adding to the already great value are 2 titled parking stalls.
