Located in a quiet cul-de-sac, close to schools, parks and green space, sits this fully renovated 5-bedroom bungalow. The open and bright main level features a stunning kitchen with two-tone flat-panel cabinets, stainless steel appliances, a vertical subway tile backsplash, and quartz countertops with a waterfall on the peninsula. The living room has an electric fireplace with a stain-grade mantel and floor-to-ceiling brick. This is not your average cookie-cutter renovation. This place exhibits character, charm and quality. The main level is lined with wood-tone vinyl plank flooring. Down the hall, you'll find the main bath and 3 spacious bedrooms, including the large primary. The basement contains a huge family room with a corner fireplace. There's a wet bar with a sink, wine cooler and floating shelves, a full 3 pc. bath with a stand-up shower, a massive laundry room with plenty of cabinet and storage space and two bedrooms with egress windows. Outside is a huge 25x19' HEATED double detached garage. (id:6769)
