If you've been looking for a well-maintained single-family home with room to grow, this one deserves to be seen! Situated on a corner lot on a quiet, tree-lined street, it offers plenty of outdoor space for kids, pets, gardening, or simply enjoying those summer evenings. Inside, you'll find a home that's been lovingly cared for and thoughtfully maintained, making it easy to move in and start enjoying right away. Large main floor living room where family can gather, and an eat-in kitchen make this home so functional. Another big rec space in the basement finished off with a gas fireplace keep it cozy! And the garage--a feature every Alberta homeowner can appreciate, whether it's for parking, storage or hobbies. But my favourite feature untapped potential above the garage. The second-story space is waiting to be developed into whatever your family needs most--a home office, bonus room, playroom, or man cave. (id:6769)
