Picture pulling onto a quiet Schonsee cul-de-sac and knowing you're home. Brick pillars frame the double attached garage, and dark trim accents the Craftsman-style exterior. This two-storey offers 1,983 sq. ft., five bedrooms and three and a half bathrooms. The open main floor connects the kitchen, dining and living areas. Hardwood flooring and a gas fireplace bring warmth to the living room. The kitchen features granite countertops, a large island with seating, a built-in wall oven and a pantry. The dining area fits a full-size table for family meals and gatherings. Patio doors lead to a two-tier deck with space to dine and relax, plus a natural gas BBQ hookup. Upstairs, you'll find a family room, laundry and a primary suite with a walk-in closet and a five-piece ensuite.
