Corner lots in Windermere don't come up often. This one was built to take full advantage. Massive windows on two exposures flood every level w/ natural light in a way a standard lot simply can't replicate. The custom floor plan feels open & airy from the moment you walk in, soaring ceilings doing the rest of the work. 2,200 sq ft of fully finished living space w/ 5 bedrooms across three levels. Three up, one main that doubles as a den & one down. The upgrades back it up. A 28x25 heated garage w/ attic storage. Central A/C. Primary suite w/ large WIC & 5pc ensuite featuring a modern tiled shower w/ 10mil glass. Downstairs is a massive rec room, a bar built to actually get used & in-floor heat throughout. Out back, a custom covered deck & paving stone patio w/ professional landscaping take full advantage of the extra yard space a corner lot gives you. Walk to parks & trails. Minutes to the all the amenities & quick Henday access keeps the rest of the city close. Homes like this don't come up twice! (id:6769)
