

Edmonton Alberta

\$324,900

Authentic loft living in one of downtown Edmonton's original warehouse conversions. This second-floor residence at Beatty Lofts offers nearly 1,000 sq. ft. of living space, with floor-to-ceiling windows, exposed brick, soaring ceilings and steel joists. The open-concept layout provides plenty of room to live, work and entertain, while the central kitchen anchors the space with stainless steel appliances, generous cabinetry and island. Custom wardrobes and a custom king-size Murphy bed with integrated built-ins make thoughtful use of every square foot while preserving the distinctive loft aesthetic. In-suite laundry, A/C, and electric fireplace provide comfort, and the location puts you right in the heart of it all--steps from the Ice District, MacEwan University, LRT and the restaurants and amenities of Jasper Ave, with a walkable commute to government and financial districts. A rare opportunity to experience authentic warehouse loft living --and be part of the city's downtown resurgence. (id:6769)
