Welcome to the Atlas by Sterling Homes, a well-designed 2,386 sq. ft. home offering space, comfort, and versatility. This popular model features a double attached garage with floor drain, 9' ceilings on the main and lower levels, luxury vinyl plank flooring, and a separate side entrance. The main floor includes a welcoming foyer, mudroom with garage access, a full 3-piece bath with walk-in shower, and a convenient 5th bedroom of the home. The kitchen is the heart of the home with quartz countertops, a large island with flush eating ledge, soft-close cabinetry, chimney-style hood fan, full-height tile backsplash, pendant lighting, built-in microwave, roughed-in gas line for future gas stove, and a tucked-away spice kitchen with a hood fan behind a pocket door. The bright great room with fireplace opens to the dining area and backyard. Upstairs offers a spacious primary suite with dual walk-in closets and 5-piece ensuite, plus three additional bedrooms, bonus room, laundry, and a full bath. (id:6769)
