Built by Sterling Homes, this 1,619 sq. ft. laned home in Edgemont Place blends smart design with family-friendly functionality. The main floor features 9' ceilings, luxury vinyl plank flooring, and a bright open-concept layout with triple pane windows. At the front, a main-floor bedroom and full bath offer flexibility for guests or home office needs. The rear kitchen includes quartz countertops, an island with seating, full-height tile backsplash, corner pantry, and a window over the sink. The dining area and living room flow seamlessly to the backyard through a central garden door. Upstairs, you'll find a cozy bonus room, a spacious primary suite with walk-in closet and private ensuite, plus two additional bedrooms and a full bath. A convenient laundry closet completes the upper level. Additional features include a separate side entrance, 9' basement ceilings, and basement rough-ins for future development. (id:6769)
