

Spruce Grove Alberta

\$149,000

Ready to level up from your parents' basement? This sun-drenched condo is so bright you'll finally have a reason to wear those designer sunglasses indoors without looking like a "character." The open-concept living area flows effortlessly from hosting a dinner party to eating cereal over the sink, and the private balcony is just waiting for your one-succulent gardening era. Two bedrooms--one for you, one for your family, roommates or whatever you want. (aka future Amazon box storage)--plus the holy grail of adulting: in-suite laundry, so no more guarding communal dryers. There's also a brand-new dishwasher, because arguing with a sink full of dishes is no longer part of your personality. Walking distance to Tri Leisure Centre, Walmart, restaurants, Superstore and of course Starbucks because plus all your everyday shopping essentials, this place is equal parts convenience and upgrade. Perfect for first-time buyers or investors looking for a clean, turnkey win. (id:6769)
