

Sherwood Park Alberta

\$735,000

Thoughtfully custom-built family home that is fully finished from top to bottom, BACKING A TREED GREEN SPACE, and located in a very kid-friendly neighborhood with awesome neighbors! I know that the inside of the house matters a lot, but the outside of THIS home as well as the area being 1.5 blocks from parks, transit, and everyday amenities is equally important! The main floor has a large office, mud room with wonderful built-ins, a huge chef's kitchen, living room with fireplace, and dining area leading to the good-sized deck and east-backing yard ready for a hot tub as the pad and power hook-up is already there. The upstairs welcomes you with the bonus room currently set up as a library, owner's suite with walk-in closet and full ensuite, 3 more bedrooms, laundry room, and full bath. The basement is fully finished with a 4th bedroom, full bath, and large rec room with wet bar (that even has room for a 5th bedroom if needed). You do NOT want to miss out on this super functional and beautiful family home (id:6769)
