Functional 2-Bedroom in Glenora Gates. This two-bedroom unit offers a straightforward, open-concept layout that makes the most of its footprint. The 10-foot ceilings are the standout feature here, giving the entire home a sense of breathing room that you don't often find in standard builds. A practical setup featuring maple shaker cabinets and a large central island that provides extra prep space and casual seating. Large east-facing windows bring in plenty of morning sun across the main living area. The open floor plan comfortably accommodates a dining area and a living room. It currently handles a full furniture set and a workspace, proving its versatility. The unit is finished with engineered hardwood flooring in the main areas and ceramic tile in the entries and bathroom. Convenient in-suite laundry, and an east-facing balcony. Comes with a heated underground parking stall—a must-have for Edmonton winters. This is a well-kept, lived-in home in a great central location. (id:6769)
