

Sherwood Park Alberta

\$385,000

What a nice home this 3 + 1 bedroom bungalow with single attached garage is. The yard is quite impressive and the location is excellent just down the road from Pine street school and park area. Of course at this price the home needs some updating but it is terrific value. The basement is fully developed with a free standing wood burning fireplace, bar area and workshop and 4th bedroom. The laundry room area is large and the home has had many important upgrades through the years. The garage even has a pellet stove and is very functional plus the back deck is extremely large with a gazebo that stays. A home that is perfect for a family to enjoy and make memories (id:6769)
