\$1,099,999

Rare opportunity to secure one of the last remaining vacant residential development parcels in Onoway – 78 acres total, with town water, sewer & power available at the property line. Potential for full or partial development; the municipality is willing to work with the buyer to determine the best development potential for the Town of Onoway. Rolling topography and a natural creek running through the site create exceptional potential for a distinctive, amenity-rich community. Ideally suited for multi-family, estate residential, retirement living, or a mixed-use development – the possibilities are extensive. Onoway continues to grow, and opportunities of this scale rarely come available. Don't miss your chance to shape the next chapter of this thriving community! (id:6769)
