Bright, unique and full of character, this corner unit offers 1,018 sq. ft. of well-designed living space across a bi-level layout that feels anything but ordinary. Two large bedrooms and a full bathroom provide comfortable, practical living, while vaulted ceilings, exposed beams and warm natural wood accents give the home a distinctive mid-century feel. Large windows bring in plenty of natural light, and a ladder leads to a tucked-away loft-style lounging nook, a fun little retreat for reading, relaxing or unwinding. Fresh paint, a new furnace and new hot water tank make the home truly turn-key. Tucked into a welcoming community, this is the kind of home that feels memorable from the moment you walk in, with warmth, character and a layout that invites you to settle in and make it your own.
