Welcome to a truly one-of-a-kind property. This 2-storey, 4-bedroom, 3.5-bath home is built 2 feet wider than comparable homes, offering exceptional space and functionality throughout. The open-concept main floor features a large kitchen, living/dining area, and convenient half bath. Upstairs, you'll find a generous primary retreat with WIC and ensuite, two additional bedrooms, a full bath, and dedicated laundry space. The fully finished basement offers a large rec room and 4th bedroom with its own ensuite. Situated on a quiet street, this home sits on a massive south-facing pie lot with an expansive lawn, oversized patio, and large deck, perfect for outdoor living. The incredible 1,120 sq. ft. 4-car garage provides unmatched room for vehicles, storage, and hobbies. Additional highlights include abundant built-in storage, central air conditioning, and 31 solar panels for outstanding energy savings. This is a rare opportunity to own a special property with features not commonly found in today's market. (id:6769)
