

## Edmonton Alberta

\$645,000

Welcome to this modern 2022-built home offering a well-designed layout with a fully finished basement. The main floor features an open-concept living, kitchen, and dining area with quality flooring throughout. The living area includes a stylish fireplace and plenty of natural light, ideal for daily living and entertaining. The contemporary kitchen offers a gas stove, built-in microwave, ample cabinetry, centre island, and backsplash tiles. A convenient mudroom and powder room complete the main level. Upstairs features a spacious primary bedroom with a four-piece ensuite, two additional bedrooms, and a five-piece main bath. A large bonus room provides flexible space for a family area, home office, or playroom. The finished basement includes a recreation room and a three-piece bath. Additional highlights include an attached double garage. Located in a desirable newer community close to parks, schools, and amenities. (id:6769)
