The primary bedroom has dual closets and a jetted tub which could be renovated into an ensuite bathroom. The basement has a bright family room with a large above ground window and a pellet stove (WETT certified in 2021), a 4PC bathroom, a kitchenette, a 3rd bedroom and a storage room. Outside you will find two decks one in the front and one in the back yard, a shed and still room in the backyard for a trampoline or swing set.
