

369 Walnut Crescent Fort McMurray Alberta

\$589,900

Unique modified bi-level home backing onto quiet green space, welcome to 369 Walnut Crescent. Oversize 24 x 28 attached heated garage (radiant heater replaced just 3 years ago). & offers a built in workbench. From the garage you have a direct approach into your laundry/mud room. This main level features vaulted ceiling, gorgeous shutters blinds throughout the main & upper floor, fresh neutral paint, & an abundance of natural light. Your kitchen offers dark cabinetry, stainless steel appliances complete with a natural gas range, ample counter space, a built-in pantry, + eat-up breakfast island. Excellent sized dining space, + a built-in desk tucker away in the corner. Another detail to this main floor is a 2-piece powder when you come up the stairway in front of the entry. Located in the back of the home is the living room, highlighting this room is a natural gas fireplace that received an update with faux wood & feature hardwood flooring & access to your backyard retreat! This home backs a tree lined greenbelt, offering access to the greenbelt from your yard, + a large storage shed for all your toys! The master bedroom provides a x amount of floor space, + a large walk-in closet, & an ensuite to please everyone! 5-piece ensuite with dual sinks, stand up shower & jetted tub! Located above the garage are 2 additional mirrored bedrooms, + another full 4-piece bathroom. The basement offers a lot of light exposure with the large basement windows that comes so nicely with the bi-level style home. HUGE rec space finished with laminate flooring is the perfect area for some many different activities & design set-up. There is a 4th bedroom on this lower level + a bathroom that will require your finishing touches. There is a massive storage space + a separate entryway if you wanted to utilize that. Additional valuable traits this home offers are: Central vac, Air Conditioni...
