\$797,000

Great family home on 2 acres in the sunny South Thompson Valley, this 4 Bedroom 3 Bathroom offers plenty of space for a family or has potential for a basement suite with a huge rec room and family room downstairs. This property has had many recent upgrades including some flooring, paint, appliances, central AC and water system. Plenty of room for animals with paddocks shelters and is fully fenced and cross fenced. Covered storage with a carport and adjoining work area plus newer out building that could be converted to a guest cabin. Truly must be seen to appreciate.
