

637 CEDAR CRES South West BC

\$649,000

Nestled in a tucked away corner in N Ashcroft gazing southwest out to the serene river valley that the Thompson River meanders through. This energy-efficient executive home marries form, function and sustainability. Its stunning architecture, complemented by exquisite landscaping, merges harmoniously with the natural landscape. The meticulously planned interior boasts sleek tile floors and numerous high-end upgrades, reflecting a tasteful aesthetic. Solar energy capabilities enhance the home's eco-friendliness, contributing to a reduced carbon footprint. The property also offers ample room for a detached garage, catering to the needs of homeowners seeking additional storage or workspace. This home is truly a masterpiece of green living, offering a luxurious lifestyle without compromising on environmental responsibility. Recent upgrades include Solar Panels, New Roof, New Furnace and Heat Pump, EV Charger, Ceramic and Porcelain Tile, argon filled windows, H2O filtration, Quartz Ctr +
