

65 & 66 TA LANA TRAIL South East BC

\$249,900

Sloping down from Ta Lana Trail and backing onto the third green of the Cedar Heights Golf Course, these lots have been mostly logged, have underground utilities and are steps away to the clubhouse and tennis courts. Walking distance to beach and marina, and close to groceries and other amenities. The lots are 0.37 and 0.47 acres in size and could be the perfect place to build that dream level entry home with a walk-out basement. Hookups at the lot line for water, power and gas.
