

8360/8336 JESMOND ROAD North West BC

\$1,399,000

Nestled in the heart of Clinton, BC, the property 16km down the Jesmond Road offers 200 acres of pristine wilderness, this a haven for those seeking tranquility. Featuring both new log cabins, ready for personalization and finishing, and charming older cabins equipped with wood stoves, creating a perfect blend of modern comfort and rustic allure. A gentle creek meanders through the property, adding a soothing ambiance to the natural surroundings. Additionally, the estate includes a spacious workshop area, providing endless possibilities for recreational activities. The property presents an opportunity to create a retreat sanctuary or a hunting lodge paradise, catering to diverse preferences. Short drive to Clinton, BC, a community known for its scenic landscapes, this property combines the charm of a close-knit town with the seclusion offered by its expansive acreage. Come with your ideas and make this your own!
