

1915 Pacific Court 204 Kelowna British Columbia

\$346,000

Outstanding value for this beautifully maintained condo! The bright, south-facing unit welcomes plenty of natural light and is move-in ready. There is new paint throughout, new fridge, with carpet, and ceramic tile flooring in the kitchen, dining area, and hallway. A comfortable and cozy space to call home and would be a great investment property too as properties this size for this price are rare. The complex is known for its warm community feel. Amenities include a BBQ patio, hot tub (newly refurbished) and sauna (seasonal). Updates to the building include: roof (6 years ago) & new electrical panel. Ample parking, plus storage for bikes and tires. Conveniently located just steps to Capri Mall with fitness gym, groceries and much more as well as walking distance to parks, and recreation including the brand new Parkinson Rec. Center currently being built. Bonus: a new City park is planned for the neighboring property, making this location even more desirable for years to come. (id:6769)
