

410 Upper Bench Road Penticton British Columbia

\$995,000

This original home, built on the outskirts of Penticton, is now surrounded by world-class wineries. Its timeless charm preserved with the addition of a saltwater pool, hot tub, solar panels, and stainless steel appliances in the open kitchen. A generous yard maintains a private oasis vibe with lush landscaping. The formal entry welcomes you into a bright living area with restored hardwood, a gas fireplace, and plenty of room for friends and family. The separate front dining room keeps its original crown mouldings alongside large new windows. A wood-burning stove acts as the centre of attention in the open family space, waiting for your cozy couch. Up the spiral staircase are three bedrooms and two bathrooms, including a primary suite with room for lounging, a deep bathtub, and a marble walk-in shower. On the main floor, the east wing offers a private guest space with a kitchenette, full bathroom, and garden entrance. The detached studio with French doors offers amazing acoustics ideal for a home office, creative space, wine shop, or guest suite featuring two private back rooms, a bathroom, and laundry. Outdoors, enjoy a fenced pool deck, fire pit, fruit trees, fragrant lavender, and a custom chicken coop. Nestled at the start of the Naramata Bench near trails, beaches, and fine dining, this is truly a house to call home. (id:6769)
