Here is one of the Upper Mission's most impressive homes! Experience lake view luxury in this exceptional 6 bed 6 bath Worman built home. Worman is famous for top build quality and unsurpassed design and this home exemplifies both. The main floor exudes sophistication with its exquisite woodwork and soaring vaulted ceilings. The floorplan brilliantly creates both a grand and comfortable home that beautifully promotes amazing lake views throughout. The timeless kitchen features top of the line Sub-Zero and Wolf appliances, instant hot water, pot filler and convenient pantry with separate sink and wine fridges. The substantial covered deck is one of the best you'll experience to take in the jaw-dropping lake views in comfort with powered screens and a hot tub. The lower level boasts polished concrete radiant heated floors, a large media/family area, 4 beds and 3 baths and continues the smart design allowing clear views to the lake. To round out this wonderful home, there is a wine room, gorgeous terraced garden, triple garage with a heat pump/ac unit, powered RV parking, and a separate living area above the garage that could also be converted into a perfect nanny suite or studio/office.
