

529 Truswell Road 503 Kelowna British Columbia

$1,498,000

Two-level penthouse living rarely comes this large or this close to the lake. Spanning 2,980 sq ft with elevator access to both floors, this Lower Mission residence delivers the space & function of a single-family home with a true lock-and-leave lifestyle. The main level opens to high ceilings, a gas fireplace, & walls of windows that bring in natural light throughout the day. The kitchen is built for entertaining, with an oversized island, two-toned cabinetry, white quartz counters, designer lighting, & a professional-grade appliance suite. Outside, roughly 1,400 sq ft of balconies span the home for dining, lounging, and taking in the surroundings. The main-level primary suite includes a custom walk-in closet and a five-piece ensuite. For maximum privacy, the central living space separates it from the second bedroom & a four-piece bath. Upstairs, a third bedroom & bathroom sit alongside a generous entertainment room with a wet bar that opens to two balconies facing different directions, one of them looking out to the lake. Step outside to a walkable Lower Mission setting, with the greenway, restaurants, coffee shops, a gym, & shopping all close by. The lake sits right across the street, so you can carry your kayak or paddleboard over & be on the water in minutes. Two indoor parking stalls and a storage locker are included. Standout size, designer finishes, & a price per square foot you will not find twice. Homes like this make a statement. Come see it, make it yours! (id:6769)
