

68 Red Sky Place Kelowna BC

\$2,675,000

Welcome to 68 Red Sky Place, a breathtaking luxury home with incomparable views on an ideal .55-acre lot. One of the largest and best lots in the subdivision offering an expansive 180 degree lake and valley views. Built with convenience and luxury in mind, the home includes top-of-the-line systems and features such as the Control4 system, domestic hot water recirculating pump that provides instant hot water, power blinds throughout, two-zoned heating system, 6 exterior security cameras, and more. Main floor living areas are bright and open, with modern SS appliances in kitchen, butler pantry, mudroom, laundry room, outdoor access full bath from pool and half bath. Also features den/bed and master suite with 5-piece ensuite and WIC. Upper floor provides 2 additional beds and ensuite baths, including master suite with access to balcony with massive ensuite and WIC. Enjoy the views from the saltwater inground pool with 8ft deep-end. The triple garage features air conditioning and mechanical room, with access to the massive crawl space.
