

795 Wilson Avenue Kelowna British Columbia

\$688,000

This location is hard to beat, walking distance to downtown yet situated on a quiet tree lined street. Come see this beautiful home, which was built to a very high standard, you can feel the quality as soon as you walk through the front door! The design of the kitchen which includes granite tops, stainless steel appliances, oversized pantry, and big island are sure to impress. Spacious primary bedroom with walk in closet and ensuite that get so much light from the north facing windows. Two more bedrooms, and a main bath upstairs make this place perfect for young families or working professionals. No strata fees make this one of the most affordable options for living in a newer home in the downtown core! Limited pet restrictions offer flexibility for pet owners struggling to find a home for them and there furry family. Built in 2018 this home still has the modern feel with out the GST.
