A family home on a quiet road! With 3 bedrooms on the main level and a 2 bedroom updated suite below, this home offers a great opportunity for a family or an investor. The main level offers a large kitchen with ample storage and lots of uninterrupted counterspace opening on to a dining room that gives access to the covered deck - perfect for year round enjoyment. The living room features a gas fireplace that comfortably heats the living space. With three bedrooms on this level, including an updated primary with en suite. The suite has a private entrance off to the side of the home and also provides an outdoor living space with a covered patio. With two bedrooms, an updated kitchen, additional soundproofing and updated appliances, this space is bright and fresh, with no work needed! The home also features a detached shed, double garage, on demand hot water, updates to appliances, bathrooms, window coverings, and fresh interior and exterior paint. All of this, positioned on a beautifully fully fenced lot with well maintained landscaping and is currently vacant. (id:6769)
