This amazing Hillcrest property has been well cared for and is located close to the school, park and paddling pool. You enter the home and are immediately greeted with a spacious, bright living room with laminate flooring and a large pass-through to the kitchen, giving it an open concept vibe. The kitchen has ample bright white cabinetry with a pantry and has room for a large kitchen table. Three bedrooms plus a 4 piece bathroom completes the main floor. The basement is finished and features a large, bright family room with lovely vinyl plank flooring. A two piece bathroom, spacious bedroom and laundry/utility room completes this level. The expansive yard is fully fenced, mature, has back alley access and backs green space. Bonus...there is also a single attached garage with front and rear garage doors. Are you the next family to love it? (id:6769)
